

At the beginning of 2018, God directed us to focus on developing resources and tools that would offer help and hope to the widow and her children, on an even grander scale. We hit the ground running as God faithfully connected us to many new donors, church partners, and Christ honoring organizations to continue building on our mission of meeting the practical, emotional, and spiritual needs of the widow and fatherless.

## PERSPECTIVE MINISTRIES

This past year, Perspective Ministries repaired homes, including plumbing, rodent control, and water heater replacement. We even got to play in the dirt as we trimmed bushes, removed trees, and maintained lawns. Through you, our generous donors, Amazon, gas, and restaurant gift cards were given to over 60 widows and money was provided to buy Christmas for over 100 fatherless children.

For Easter, we remembered those who were hurting by delivering lilies and butterfly gardens, reminding them that life will come after death. On Mother's Day, we gave ice cream gift cards letting the widow moms know they are seen by God. Flower bouquets on a Remembrance Day or birthday delivered a reminder of God's love on the days they would need it the most.

Fatherless children were encouraged to trust in the promise that God is Father through camp scholarships and support at tender times. Last but certainly not least, because of your support, many hours of creativity and development were poured into the 2019 launch of the widow help-tool, which will allow widows to connect their practical, emotional, and spiritual needs to family, friends, churches, and service providers.

As we move into 2019, the excitement continues to grow as God leads us into areas of greater impact for the widow and fatherless.

Thank YOU for making this possible! We believe that God will bless the work of your hands, as that is His promise for those who bless the widow.

To God be the glory,

Lori Apon
